Amendment No. —

Concerning Gas and Water Companies
Introduced by Mr. Reynolds

1 In any city where there are no public works owned and controlled by the municipality, for supplying the same with artificial light and water any company duly incorporated ~~under~~ by the laws of this state, shall, under the direction of the superintendent of streets of said city, have the privilege of disturbing & using the public streets and thoroughfares thereof and of laying down pipes and conduits therein and of making ~~all~~ connections therewith, so far as may be necessary for introducing into and supplying such city & its inhabitants therein with gaslight, or other illuminating light, or with fresh water, for domestic and all other purposes for which the same or either may be used, upon the conditions following: Such ~~city~~ company shall make good all damages to such streets and thoroughfares, except necessarily occasioned by the reasonable use thereof, and be liable to such city and its inhabitants therefor: Such company introducing & supplying gaslight or other light and fresh water, or either, shall furnish the same, so far

as necessary and required, free and without charge, to all public buildings & institutions & school houses belonging to such city and used for municipal purposes; and such company introducing and supplying water shall also furnish the same, free and without charge, to the fire department and for the extinguishment of fires. Each company, its property & franchises shall be liable to such city & its inhabitants for the performance of these conditions.

2. ~~In cities or counties having more than one hundred thousand inhabitants no person shall, at the same time be a state officer & a city or county officer, nor hold two county or city offices.~~
