Amendment
in Cem of the Wlds

Provided that every man shall make on a balance sheet, on the first day of March each year, and deliver to the assessor describing all the lands stock goods wares and merchandise notes mortgages and book accounts in sums exceeding $100.00 and every item that has a cash value

Also a list of all sums which he is owing to any person in this state, and to whom the same he owes. The assessor shall then deduct the one from the other and hold the property for taxes on the summary amount

Provided — further that no note mortgage book account in excess of $100.00 shall be collectable by law than is mentioned in the statues

If a person claims exemption in one county for debt owing in an other let the assessor send such list to the assessor of the other county as a check on the creditor's assessment there. Provided that an additional tax of 25 cents on the

dollar may be collected on any property not discovered to the assessor in the first assessment whenever county and state boards of Equalization.

Revised Taxation
