To the Hon S. G. Hilborn - Chairman Committee on Contingent Expenses

Amt Appropriated for Expenses of Constitutional Convention $150,000

Cost of Convention upto & including Nov 16th as shown by Controllers books 92,645

Bal in Appropriation $57,355

Per diem of Delegates & Attaches $1651 -

Estimated Expe other than above, pr dy 94 -

Est - Total Expe per day $1745 -

$1745) $57355 (33 - days
5235
5005
5235

From the above showing I would estimate that the Appropriation for Expe of Constitutional Convention will last for 33 days from and including the 17th day of November - The estimated Expe other than per diem of Members & Attaches, is only an approximation made by taking the Amt that have already been paid for Printing Stationery &c and dividing it by the number of days up to date of payment that the Convention had been in Session -
