To the Hon. J. P. Hoge, President, and to Members of the Constitutional Convention.

I could have had the signatures of all my people. It is ridiculous that the politicians should propose to "leave the moral education of our children to the Churches," and then tax the Churches for the privilege of rendering this extra a very essential service to the State, — a service for which State makes no other provision.

Very Respectfully,

M. C. Briggs, Pastor
Howard St. M. E. Church.
